## APPEAL FOR FUNDS

A recent appeal to all shareholder of the S.P.E.R. for additional money to enable us to complete our current works programme as well as obtain our substation equipment was very well supported BY A SMALL SECTION OF THE SOCIETY.

To date only 11 shareholders have responded to the appeal. Their contribution should make the rest of the society take action at once. Eleven has subscribed £207.

We have forty one members what about it you remaining thirty ?

Remember every pound counts if we are to get our cars on the road early next year.

PLEASE send in your contribution now to the Secretary, Box 103 G.P.O. SYDNEY.

REMEMBER IT IS NOW TAX DEDUCTABLE if made out to the S.P.E.R. Museum Fund.

 PIX MAGAZINE

Several weeks ago PIX paid us a visit and took several photographs of us all at work (and play). It is anticipated that the article on the Museum will appear the first week in September. Keep a watch out.

We have been promised a few stories in the newspapers within the next six months, with a big one when we open. This should help boost the membership which has been very slow these last nine months.

TRAM    TOUR

The next tram tour to be held will be a joint tour  
with the A.E.T.A. on the occasion of the closing down of  
the Coogee and Botany tram lines. For our overseas readers  
these two closures will leave Sydney with only three lines  
and these due to close in February next.

The tour will be held in an "R" car and of course  
will depart from Dowling St. Depot.

Details are not yet to hand but can be obtained from  
the secretary two weeks before the closure after the date  
has been announced by the D.G.T.
